

**NETWORK TECHNICAL SUPPORT (NTS) PLAN
DESIGNEE DIRECTORY
FOR THE AT&T COMMUNICATIONS COMPANY**

1. GENERAL

- 1.01** This section lists the Network Technical Support (NTS) designees in all the AT&T Communications (AT&TC) Company regions. Its use is outlined in Section 010-522-100.
- 1.02** This section is reissued to show the current designee listing. Because of the extensive changes, revision arrows are not used.
- 1.03** Network Technical Support Team telephone numbers should be assigned so that they are unaffected by personnel changes. Designees are encouraged to keep the Directory up to date by submitting changes and corrections on Forms E3973 and P1844. Instructions on the use of these forms are found in Section 000-010-015 and the Long Lines Addendum.
- 1.04** The Automated Office System (AOS) addresses for those locations having dedicated codes are shown in the listing following the telephone number.
- 1.05** The Bell Operating Company (BOC) NTS designee listing is given in Section 010-523-101.
