

NUMERICAL INDEX — DIVISION 074

CATALOGUE INFORMATION

TOOLS

1. GENERAL

- 1.01** This section provides an index of System-issued sections in Division 074.
- 1.02** This section reverted to Issue 1 April 1982. Prior to that date there had been 99 issues of the section.
- 1.03** A bullet (●) indicates an item that has been added or changed since the previous issue of the index.
- 1.04** A square (□) indicates a canceled item. Information relating to the cancellation, if necessary, will be shown in a note following the item. Canceled items and related notes will be deleted upon reissue of the index.
- 1.05** A spade (♠) indicates an item not on microfiche. This index indicates the latest issue for hard-copy BSPs. In some cases, the microfiche BSP will reflect the next higher issue as a result of the reduced distribution interval.

2. LAYERS

- 2.01** This division is arranged in layers as follows:

074-0 Indexes
-2 Tools — Coded and Noncoded
