

RAILROAD CROSSING SPECIFICATION

Purpose : The purpose of this addendum is to update Section 1-B-3 entitled, "General Procedure Information on Permit Applications for Submarine or Overhead Communication Line Crossings of Navigable Waters in the United States," Page 1, Paragraph C-2, in accordance with the Association of American Railroads Communications Section latest revision of August 1958.

Substitution: Substitute the attached revised Page 1 of Section 1-B-3 in REA TE & CM-617, Issue No. 1, dated April 1954.
